

THIS IS WHAT WE ARE HEARING...

*"I just wanted to take a moment and thank the e3 Diagnostics staff for their excellent service to us. The entire staff is awesome and does a great job. We especially appreciate how e3 arrives early to accommodate our busy booth schedule in serving our Veterans. Thanks to the e3 Diagnostics crew for all you do for us, we appreciate you!"*

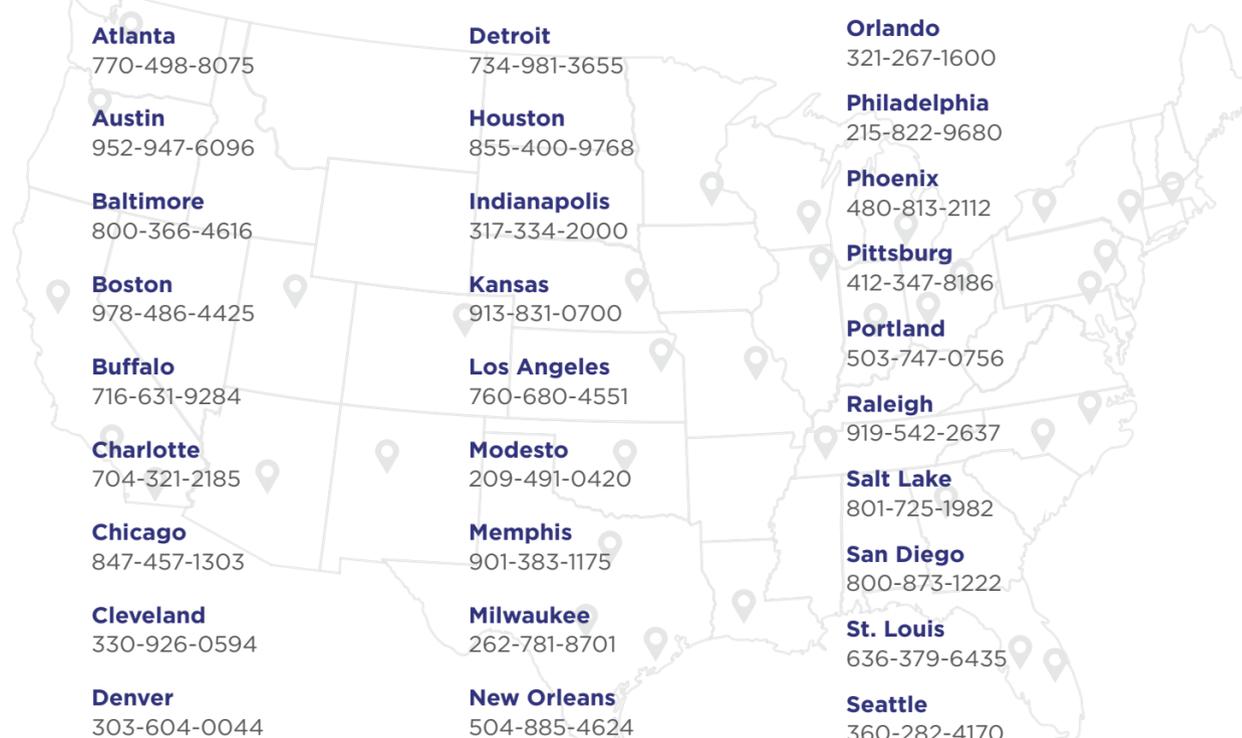

- MARY COOPER | LOUISIANA DEPARTMENT OF VETERANS AFFAIRS | JACKSON, LA

*"Thank you so much for coming to our aid so quickly with our recalibration. I can always depend on having quick access to you and a prompt response to my questions or issues. I appreciate your commitment to demonstrating good customer service on behalf of e3 Diagnostics. Thank you for consistently modeling this commitment for the past 11 years that I have been associated with you."*

- C.G MARX, AU.D., CCC-A | SCHOOL OF SPEECH AND HEARING SCIENCES AT THE UNIVERSITY OF SOUTHERN MISSISSIPPI | HATTIESBURG, MS

# YOUR FULL-SERVICE OCCUPATIONAL HEALTH PARTNER

**e3 Diagnostics**  
Occupational Health Solutions

## ABOUT US

With over 30 offices located across the United States, e3 Diagnostics brings a local expertise that is unmatched by any others in the field of audiological instrumentation. For decades, our NASED-certified technicians and occupational health specialists have been committed to providing you unrivaled guidance and customer service.

### **e3 OCCUPATIONAL HEALTH SOLUTIONS IS THE ONLY NATIONAL, FULL-SERVICE EQUIPMENT DISTRIBUTOR**

that can help you manage your industrial and occupational health needs through a single point of contact. Through our network of local offices, we make it possible to execute your program consistently and efficiently across all of your locations.

#### **Assess Your Needs**

Our experts will help you map, interpret, and recommend an employee health program that is best for your business that you can confidently meet OSHA requirements.

#### **Create & Manage your Program**

Reduce time spent collecting, managing, and transmitting data with our hearing conservation database.

#### **Train Your Staff**

We offer educational development courses near you to ensure that your staff is meeting regulatory training standards and is aware of current testing best practices.

#### **Get Accurate Results**

Have confidence in the accuracy of your results when you purchase and calibrate your industrial screening equipment at e3 Occupational Health Solutions.
