

Online Appointment Booking

Seamlessly integrate your website and Blueprint OMS Schedule

From patient...

... to clinic schedule

The most flexible online patient appointment booking system available.
Full control of available appointment times, types, providers,
and locations directly from your Blueprint OMS.

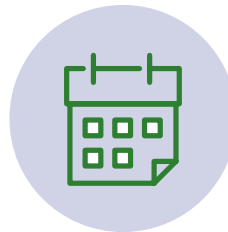

**Gain more business with
24/7 patient access**

**Save time
and money**

**Reduce no-shows with
automatic reminders**

**Let patients
reschedule online**

**Improve overall
patient experience**

**Enhance your
clinic image**
